smacc 2013 was a phenomenal success, attracting almost 700 delegates and widespread acclaim. The conference not only brought together a diverse group of critical care practitioners (Emergency Physicians, Intensivists, Anaesthetists, Rural and Pre-Hospital Specialists, Critical Care Nurses and Paramedics) it united the biggest names in online medical blogs and websites from around the world.

In 2014 'smaccGOLD' (named so because the conference is being held on the Gold Coast) will be even better. We are expecting over 1000 delegates and here is your chance to be a part of the biggest critical care conference in the southern hemisphere by submitting an abstract. Free papers will be presented in an integrated session called the 'smaccFORUM' which will be a comprise of a variety of delegate free papers, keynote free papers and the best Pechu Kucha talks submitted.
